Education

KIIT University, 2015- 2019

Electronics and Telecommunication

Projects

Interview Share

React

Firebase

<https://interview-share.netlify.app/>

A website where a user can add an interview experience and bookmark for his/her future interviews.

Portfolio Site

React

<https://pujarinij-portfolio-v2.netlify.app/>

A portfolio website where I curated all the projects and blogs that I have written till date.

Experience Work

Software Engineer (Frontend)

Nov 2021-Present - Cars24

Worked on checkout and reschedule flow for B2B and C2B products for Thailand and Australia which was directly consumer facing.

Analyst

Jun 2019 - Nov 2021-Standard Chartered Bank

Worked on an internal product which took care of the review process of the client onboarded to the client.
